Overview: Corona and the emergency break in Wuppertal

In Wuppertal the incidence rate (i.e. the number of new infections within the last seven days per 100,000 inhabitants) is above 200 – this is the highest figure so far. Accordingly the measures were intensified as follows:

- Private contacts are allowed for one household plus one further person
- Staying outdoors is restricted to a time period between 10 p.m. and 5 a.m. (!)
- Walks or sports are allowed for one person only until 12 p.m.

- All shops not catering for daily necessities (e.g. grocery shops, chemist's, flower or bookshops, petrol stations, etc.) have to convert to noncontacting „Click & Collect“ (i.e. you order online and collect at the premises)
- Museums and the zoo are closed again.
- On sports grounds only individual sport is allowed i.e. with one trainer, in groups of two or together with members of your own household.
- For restaurants it is only allowed to deliver without contact or the food can be picked up by the customers. Between 9 p.m. and 5 a.m. only delivery is permissible.
- At schools and day care centres for children only distance learning and emergency care is possible.
- Close contact services continue to be allowed, but only if medically necessary and hairdresser's shops are open.
